Pensioners' meet

KOCHI

The first monthly meeting of pensioners or family pensioners of the Central Marine Fisheries Research Institute (CMFRI), Central Institute of Fisheries Technology (CIFT), and Central Tuber Crops Research Institute (CTCRI) will be held at CMFRI on October 22 for prompt and quick redressal of grievances. Officials from the institutes and a senior official of the bank concerned will be present at the meeting, says a press release here. Pensioners and family pensioners or their representatives of the respective institutes may plead their cases for effective redressal.
