

# CMFRI develops vegetarian nutraceutical

A green remedy nutraceutical for joint pain and arthritis from sea

Dr. Charan Das Mahant,  
Hon'ble Minister of State  
for Agriculture and Food  
Processing Industries,  
Govt. of India releasing  
CMFRI's Cadalmin™  
Green Algal extract  
at New Delhi

CMFRI's Cadalmin™ Green Algal extract (GAE) has been released at 83rd Annual General Meeting of the ICAR Society at National Agricultural Science Complex by Dr. Charan Das Mahant, Hon'ble Minister of State for Agriculture and Food Processing Industries, Govt. of India on 6.03.2012. Shri Sharad Pawar, Hon'ble Union Minister of Agriculture and Food Processing Industries and President of the ICAR Society presided over the function. Earlier, Dr. S. Ayyappan, Hon'ble Secretary, DARE and Director General, ICAR presented a glimpse of key achievements

of ICAR during 2011-12. Agriculture and Animal husbandry Ministers of various States, Members of the Governing Body of the ICAR and representatives from international organizations participated in the AGM along with senior ICAR officials of ICAR and other dignitaries. Concurrently, an exhibition on agri-technologies is also organized on the theme "Innovative Technologies go Commercial" in which CMFRI product Cadalmin Green Algal Extract (GAE) has been exhibited as ICAR technology.
