

## Harvest mela of Asian seabass at Nagayalanka, AP

Director CMFRI observing the fish from the harvest

Harvest mela of Asian seabass was conducted at Nagayalanka, Krishna District of Andhra Pradesh on 11<sup>th</sup> August, 2012 in the presence of Dr. G. Syda

Rao, Director, CMFRI, Dr. KrishnaPrasad, Principal, Fisheries Polytechnique College, Nagayalanka and the staff members of Visakhapatnam Regional Centre of CMFRI. The cage was stocked

with Asian seabass and cultured for four months and harvested in rainy season before flood water entered in to the estuary. The harvested fish were in the range of 0.59-1.1 kg which highlights the potentiality of open sea cage culture in the area. On the occasion a fish farmer's meet was conducted and questions were raised by the farmers were answered by the Director, CMFRI and the Assistant Director of Fisheries of Krishna district.
