

Andaman launches online data collection of marine catch

Chennai, Oct 19 (UNI) Andaman and Nicobar Administration has launched online data collection of marine fish catch from fish landing centres and landing points in the islands with the support of the ICAR-Central Marine Fisheries Research Institute (CMFRI), Kochi. This is the first time the marine fish catch data is collected from the archipelago with statistically supported software, a release said on Wednesday.

The move was the outcome of a Memorandum of Understanding between the ICAR-CMFRI and the Department of the Fisheries of the Andaman and Nicobar Administration.
