Kochi

The Ernakulam Krishi Vigyan Kendra of the ICAR-Central Marine Fisheries Research Institute (CMFRI) has geared up to popularise the fusion of flavours of millet-fish combo and develop a robust market value chain for millet products within Kerala.

As part of this move, a millet-fish festival will be organised in Kochi during December 28-30, which primarily aims to create awareness about the rich nutritional value and health benefits of millets with fish for a balanced diet. It will feature a variety of activities, including a buyer-seller meet, millet and fish food festival, live fish sale, sale of millets and millet-based products, millet cookery show, millet recipe contest and tech exhibition.
