PREPARATION OF THE DOCUMENT
This document is an outcome of a stakeholder consultation process conducted across the country as part of the research cum advocacy project on ‘Developing a Policy Framework for Fisheries and Aquaculture Development’. This is the proceeding of the 3rd Zonal Workshop on ‘Fisheries and Aquaculture Policy: Responsible Fisheries and Sustainable Aquaculture Perspectives for West Coast States’ consisting of Gujarat, Maharashtra, Goa, Karnataka, Kerala, UTs Daman & Diu, Dadra & Nagar Haveli and Lakshadweep held in ICAR-RC, Goa during 21-23 June 2007. After the five workshops, a series of participatory review cum expert consultation including a synthesising workshop was conducted at CIFE to extract specific policy inputs and prepare a draft policy framework for different sub sectors of fisheries and aquaculture. In the process the quality of each of these proceedings document got considerably improved. It is our hope that the document would be of use to all the stakeholders particularly the policy makers and development planners. Suggestions on the content of the document or on issues related to fisheries policy are welcome. The same may be addressed to Director, CIFE or emailed to director@cife.edu.in
# TABLE OF CONTENTS

**Acronyms and Abbreviations**

**Executive Summary** ................................................................. 1

1. **Introduction** ........................................................................... 9
