This Corrigendum is to mend an error in the author line of the above-mentioned paper, which was published on 30 April 2024 in *Crustaceana*, **97**(3-4): 163-179. The erroneous mention regards the last author, represented in the paper as “M. Saravanan”, whereas the correct name of that author reads “R. Saravanan”, as now also correctly mentioned above.

The authors and the editors apologize for this inconvenience.
